

Centralized monitoring for effective ministry.

Guardian GameFilm is your church's Experience Insurance. Utilizing this state of the art tool gives your weekend service team access to real time service review and 30 days of archive. This is truly a game-changing solution to provide your staff the tools for real-time evaluation, tracking, coaching, and measuring performance of communicators, music teams, and technical artists during and between services on Sundays as well as during the week across all your campuses.

- Automatic 24/7 recording and access to high-definition video feeds
- Content archiving and evaluation platform
- View in one web portal from anywhere in the world, even from your iPhone!
- Scrub services in web portal via real-time DVR
- 14 day high resolution, 30 day proxy streams service archive
- Mark and export high resolution clips to your local machine to share with your team
- Bookmark and comment on specific segments of the recording for group evaluation
- Multi-user access and user-specific permission management
- **No equipment to buy or maintain - you just provide the internet!**
